- H&I Pannel Coordinator for Information. Anyone interested in service work with H&I please send your name, phone number, clean time, and area of interest back to Jan. ASC with your GSR. H&I Pannel Coordinator will contact you to discuss how you can help!
- **H&I**- 3 meetings carried in. All is well. Addict stepped down as panel coordinator. Addict was nominated and voted in.
- **Activities**- NYE details were fine-tuned and we are fine tuned. Discussions regarding Spring into Recovery/our March function where had, flyer was approved, and speakers were discussed. See you on NYE (the 31st of December. The last day of the year, before the first day of the new year.)
- **PPACNA**- Financially the convention was a bit short. Our prudent reserve is \$4000, we currently have \$3968 in the account which indicates a net loss of \$32. We do still have a significant amount of merch to attempt to sell. We are taking a look at historical orders of merch in order to make changes to eliminate over ordering in the future. Discussed the possibility of looking at different months for the convention as attendance still tends to be down and we will be discussing potentially sending out a survey to the groups to see if there is something they would like to see at the convention that would encourage them to attend. Discussion was had about talking to treatment court professionals about allowing their clients to attend. We discussed only having one workshop at a time, potentially limiting the convention to only one day. Also discussed having lunch or dinner on site rather than after speaker or entertainment.

Greetings Family,

Your RCM team received the minutes from the October RSC. The next RSC will be held January 10 & 11, 2026 at Stoney Creek, 2601 South Providence Road, Columbia, MO. All motions and resumes passed at the regional level. There is one resume the groups will have to vote on and bring their group vote back to the January ASC (resume is attached to this report). There are no motions to vote on at the group level. There was an area DHOMA that was removed from the region. Area was contacted and they do not have the ability to fill positions at the area level and requested also to be removed from regional rooster. There was discussion concerning regional assets, who has them. Secretary was given \$1000.00 to purchase new printer as old one no longer is working properly. As new regional service members step up to their positions all banking information will be adjusted to reflect new service members. CAT/CAR workshop will be held on January 10, at 3pm at the RSC. If your group would like to attend all are welcome. RD and AD are available to hold workshops for individual areas if requested. See RCM for information. There is new information that came from World for the homegroups (email attached to this report).
